

Go Green: Sapling plantation

Trees are the foremost source for producing the oxygen in environment, they help to reduce the level of carbon dioxide. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today. On 24th July 2018, Jagran College of Arts, Science and Commerce successfully completed the Tree Plantation Campaign under the National Service Scheme at college campus. During the event Dr. R N Singh Coordinator NSS, make students to pledge for protecting environment by planting trees. Dr. J. N. Gupta (C.E.O. Jagran Education Foundation), Dr. M.P. Gupta (Director Jagran College), Dr. Asmita Dubey (Asst. Director Jagran College), Mr. Pramod Srivastava, faculty and students of Jagran College were present on the occasion.
