

Guest Lecture on Drug Discovery and Clinical Trials'

A guest lecture on the topic 'Drug Discovery and Clinical Trials' was organized on 23rd April 2022, in 'Lakshmi Devi auditorium'. As a resource person Dr. Rahul K. Maurya, Assistant Professor, Amity University, Noida was invited. Dr. Vikas Dwivedi, Asst. Prof., Chemistry Department gave welcome address and Mr. Swatantra Bajpai, Asst. Prof. presented a sapling as a token of gratitude. Mrs. Neelanshi Trivedi, Asst. Prof., Zoology Dept. introduced the resource person to the audience. 94 students were present from Bachelor of Science Department. The spokesperson gave splendid presentation covering introduction of the drug discovery, pillars and timeline of drug discovery, phases of clinical trials and computational target fishing tools. There was an interactive Q/A session which facilitated a great learning experience to the students. Mr. Prashant Khare, Asst. Prof., Physics Department proposed 'Vote of Thanks'. The session ended by presenting a memento to the resource person by Dr. Shashank Shekhar Mishra.
