

Joyful Learning through Art and Craft

Keeping the joyful learning in momentum, the third session held on 6th April, 2021 started with an intention to unleash their wings of imagination for a flight of creativity into the sky of opportunity and hope. A team of our final year students: Jyoti, Nandini, Swekcha, and Shaswat accompanied by two first year students Tanisha and Divya visited the school. They conducted a two-hour art and craft session for children to untap the artistic and crafty calibre of the tender hearts. The session was amplified by the activities such as lamp making, origami art with the recycled objects and colourful papers.

Session left an awe-inspiring effect on the tender hearts of children that was visible with a smile on their faces, that was saved in pictures clicked by students, for eternity. These teaching sessions left on them an imprint so profound and memorable that in the end, the kids parted on the note of securing a promise by the students to visit them again, very soon!
