

NAAC Workshop

NAAC Accreditation framework is one of the most coveted grading criteria for aspiring HEIs for performance assessment and transforms them into the centre of excellence. Recently the government introduced NEP 2020 which gives on emphasis on quality enhancement and sustainable education. In view of the above Jagran College organized a workshop on NAAC on 23 Feb, 2022 where Prof. Arvind Kumar Dixit, Former Vice-Chancellor, Dr. B.R. Ambedkar University, Agra and Dr. Rajesh Kumar Dwivedi, Director College Development Council, CSJM University Kanpur guided and motivated college faculty by sharing their enriching experience and valuable insights. Participants asked important questions about the accreditation process which were very well addressed by the resource persons.

Key Takeaways

- Symbiotic relationship between faculty, management and students determines the level of achievement of an institution.
- Resource utilization is more important than resource accumulation.
- NEP-2020 facilitates a good score in NAAC ACCREDITATION by adopting best practices, innovation and outcome-based education.

Mrs. Ritu Gupta, Vice chairperson JEF motivated the participants with her gracious presence.
