Tech_Buzz_explores_the_developers

TECH BUZZ 2018, "Exploring the Developer" was organized by BCA students 13th Sep. The activity aimed to assess their personality related traits and helped them groom the same with the help of expert panelists through mock interview. The entire activity was divided into three rounds headed by different panelists, in which Karam Singh bagged first position, PreetikaAgnihotri second position and AkashPandey third position.
