

## Alumni Interaction in M.com Orientation Program 2022-23

On 23rd September, 2022, M.com alumnus Mrs. Lovely Pandey, Business Development Executive in Cloudshope Technology, Noida was invited to address the newly admitted batch of M.com. The programme began with inspiring welcome note by Aditi Tripathi and Arpita Katiyar from senior batch. It was followed by informative session on the career prospects after M.com and

interview guidance. She also shared her student experiences and perspectives on-off campus learning with the intention of developing deeper understanding towards their priorities and learn how to set and achieve their life goals.

Subsequently, M.com Coordinator, Mrs. Mukta Anand made students aware of New Education Policy and its impact on the curriculum reforms and assessment pattern at the postgraduate level. Dr. Reshma Rajani urged students to make best use of opportunities available during the academic year. The program aimed to develop global competencies and human excellence among students and orient them towards the pursuits of excellence.
