

## Plantation Drive in Campus

On 1 July 2022, College hosted a significant event of plantation drive in campus; in collaboration with its NSS unit. The objective was to elevate the awareness about the environmental responsibilities among faculties, staff and students. Our principal Ma'am, Dr Asmita Dubey provided a futuristic vision towards sustainable development and re-energized each of her pupils' minds with a profound sense of environmental concerns. This was marked as one of the pivotal highlights in advocating and uprising a sustainable future. As one of the renowned environmentalists Sunderlal Bahuguna said- "Embrace the trees and Save them from being felled; the property of our hills, save them from being looted."
