

A Seminar on Acharya Prafulla Chandra Ray: Father of Chemical Research

One day seminar was organized in the college in association with VIGYAN BHARATI, Kanpur Prant, on the auspicious occasion of 158th birth anniversary of "Acharya Prafulla Chandra Ray", the father of chemical research and the greatest teacher of chemistry in our country on 2nd August, 2019. The program started with lighting of the ceremonial lamp by the Chairman of Jagran Group Sri Yogendra Mohan Gupta, Dr. J.N. Gupta, CEO -JEF, Dr. D.S. Bag Joint Director, DMSRDE and Head Polymers Matrix Composite Division, Dr. Amar Srivastava, Dr. Suneel Mishra Associate Professor Chemistry Department, DAV college, Dr. M.P. Gupta, Director Jagran College and Principal Dr. Asmita Dubey.

Dr. Suneel Mishra made everyone aware about the vision and mission of Vigyan Bharti. As Keynote speaker, Dr. D.S Bag gave a brief description of Dr. Ray's works and achievements. He instilled the fervour among everyone by describing the prowess and serene nature of Acharya. Dr. Amar Srivastava another distinguished speaker for the day depicted the complete life of Dr. Ray through his magnificent presentation. His devotion and respect for Acharya was reflecting through his words. The significant words of our respected guests of

honor not only inspired the students but also ignited their spirits to give their contribution effectively in the field of science. The program was very well conducted by ShubhanshiDohre and Aru Sinha who welcomed all the dignitaries with their thoughtful speech. The program came to a successful conclusion with a vote of thanks by Dr. Shweta Vyas, Asst. Prof. Dept. of Chemistry. Mr. Prashant Khare, Asst. Prof. Dept. of Physics, coordinated the event.
