

Blood Donation Camp

In a heartening display of solidarity and compassion, Jagran College of Arts, Science, and Commerce, in partnership with GSVM College Blood Bank, Kanpur, hosted a blood donation camp on November 26, 2022. Aimed at supporting children battling serious illnesses like thalassemia, the event garnered enthusiastic participation from students and faculty members alike. Under the guidance of Principal Dr. Asmita Dubey, esteemed professors led the way by donating blood, setting a poignant example for the entire community.

The spirit of altruism transcended the college gates as socially conscious citizens, alongside prominent community members, lent their support to the cause. Together, they facilitated the donation of 58 units of blood, a testament to their collective commitment to promoting health and humanity.

This successful endeavor was made possible through meticulous planning and coordination spearheaded by Dr. R.N. Singh, ensuring seamless execution and widespread participation. The blood donation camp not only potentially saved lives but also served as a poignant reminder of the power of unity and collective action in fostering a more caring and compassionate society. It stands as a shining beacon of community spirit, inspiring future generations to continue making a positive impact through acts of kindness and generosity.
