

Brushstrokes of Unity: Students Embellish College Wall with Artistic Designs

15-20 Nov.2021 In a harmonious blend of creativity and camaraderie, a group of students undertook the transformative task of adorning the college walls with vibrant and captivating designs. The initiative to paint the college walls emerged as a collective endeavor to infuse the campus with color and creativity. Students from diverse backgrounds and disciplines united with a shared vision to beautify the college surroundings and create a visually stimulating environment conducive to learning and inspiration. Themes ranging from nature-inspired motifs to abstract expressions of unity and diversity were explored, reflecting the diverse perspectives and artistic sensibilities of the participants. The project garnered widespread attention and appreciation from the college community.
