

Celebration of 74th Republic Day and Basant Panchmi 2023

The celebration of 74th Republic Day at Jagran College commenced with the unfurling of Tricolour by Respected J.N. Gupta Sir (CEO, JEF) and synchronized singing of the National Anthem by the staff members. Everyone presented, expressed their gratitude towards their nation and pledged their devotion to national sovereignty and integrity.

It was a dual blessing as Basant Panchmi was also celebrated by conducting a Ceremony eulogizing Goddess Sarasvati seeking her eternal blessings for the betterment of the college.

The event was a grand and colorful affair, with faculty and staff members alike participating in the celebrations.

The puja began with the traditional lighting of the lamp and offering of prayers to the goddess. The atmosphere was filled with the sweet fragrance of incense and the melodious chanting of mantras. Faculties and staff members offered flowers and sweets to the goddess as a mark of devotion and respect. The day was very fruitful and full of patriotic and divine fervor.
