

JIM Quest

On October 21, 2022, students from Jagran College of Arts, Science and Commerce showcased their intellect and prowess at the prestigious JIM Quest competition. JIM Quest is an annual intercollegiate competition organised by Jagran Institute of Management, that tests participants' knowledge, critical thinking, and problem-solving skills across various domains of management. With unwavering determination and strategic acumen, they not only participated but also emerged triumphant, securing the esteemed second position in the event.
