

Plate Design Competition

On the vibrant day of 10th December 2022, Jagran College of Arts, Science, and Commerce hosted a creatively charged event centered around plate designing. The event aimed to foster artistic expression among students, encouraging them to explore their creativity through a unique medium. The plate designing event witnessed enthusiastic participation from students across various disciplines, reflecting the diverse talents present within the college community. The event commenced with a brief introduction, highlighting the significance of art and design in everyday life. Participants learned about various mediums such as acrylics, oil paints, and ceramic glazes, allowing them to experiment and unleash their imaginations.

After hours of artistic endeavor, the completed plates were displayed for judging. Dr Abhilasha Chaudhary from the department of drawing announced the winners and appreciated the efforts and creativity of all participants. Winners of the event were: Neeraj Kumar Ranjan first, Titiksha Bajpai and Samriddhi Ahuja second and Mudita Banafar and Anjali Rajput third.
