

Unveiling Dreams by making Dream Cathcher

In an endeavor to foster creativity and artistic expression among students, the Department of Drawing and Fine Arts at Jagran College of Arts, Science, and Commerce organized a captivating "Dream Catcher Making Activity." Held on 5 Dec. 2022, the event aimed to provide students with a platform to explore their imagination while immersing themselves in the rich cultural heritage associated with dream catchers. The Dream Catcher Making Activity was a hands-on workshop that invited students from various disciplines to unleash their creativity and craft their own dream catchers under the guidance of experienced faculty members. Originating from Native American culture, dream catchers are believed to filter out negative dreams and promote positivity and well-being. Stuti and Anshika were honoured with first prize in ethnic dream catcher making. Second Prize- Kumkum Singh BCA 1st year and Mansi Verma BCA 1st year Third Prize- Nishi Mishra Bcom 2nd year and Aayana Kapoor Bcom 2nd year.
