## Napkins Distribution Drive

Women have suffered a long history of non-caring and non-supportive attitudes from the members of society.

Unhygienic practices during the menstruation period are among those practices that women developed out of such attitude that caused them to demean the importance of their own health and priorities. To awaken society regarding the use of Hygienic Napkins by females during their periods was the aim to organize a Sanitary Distribution Campaign with the assistance of the MKR Foundation. It was organized on the 4th of September 2022.

The main aim of the event was to create awareness among females for the compulsory use of Sanitary Napkins during their monthly periods.

Father of the Nation, Mahatma Gandhi firmly believed that education was not merely about acquiring knowledge but about fostering holistic development. His concept of education emphasized learning through practical experience, character building, and a strong connection to one's roots.

The Constitution (Eighty-sixth Amendment) Act, 2002 inserted Article 21-A in the Constitution of India to provide free and compulsory education of all children in the age group of six to fourteen years as a Fundamental Right in such a manner as the State may, by law, determine.

It is ironic that could be beneficiaries of the law and of constitutional arrangements are not only unaware of the availability of these privileges regarding education but are forcibly engaged in prohibited works like child labour or begging.

Those who respect the elderly pave their own road toward success.” African proverb

The visit to Swaraj Vridha Ashram, an old age home came out as a lifelong experience for the Jagranites. It was an opportunity to share their love, warmth and feelings with the elderly people. The students realize the value of grandparents and the tenderness with which they need to take care of their grandparents. In their reverberating laughter and wrinkled faces, the students saw the vivid reflection of their grandparents. Being in their company for a few hours, they developed a bond that would be cherished for years to come. Students indulged in entertaining the elderly and bringing precious smiles on their faces. It was an enriching experience for all the students to visit the old age home and interact with its inmates.

# स्टूडेंटों के प्रयास से जरूरतमंदों को मिलेगी राहत

जासं, कानपुर: दैनिक जागरण के अर्पण अभियान के तहत दैनिक जागरण संगिनी क्लब और जागरण डिग्री कालेज आफ आर्ट, साइंस एंड कामर्स के स्टूडेंटों के प्रयास से जरूरतमंद

संगिनी क्लब के सदस्यों को दिए कहा कि शहर के विभिन्न क्षेत्रों में हैं। जिसका वितरण संगिनी क्लब रहने वाले जरूरतमंद व आर्थिक द्वारा संस्थाओं के साथ मिलकर रूप से कमजोर लोगों के लिए किया जाएगा। स्टूडेंट की इस तरह दैनिक जागरण का अर्पण अभियान की पहल का स्वागत प्रधानाचार्य मददगार साबित हो रहा है। जिसका डा. अस्मिता दुबे ने किया। उन्होंने लाभ जरूरतमंदों को मिल रहा है।

Bread, clothing, and shelter are the very basic amenities that any person desires. But everyone is not fortunate enough to receive all these things in their life. We as human beings should be kind-hearted to these underprivileged ones. Our college always promotes the acts of magnanimity in one form or another. In the shivering cold of December, there are many who can not even cover their body completely. Having woolen clothes under heated rooms is nothing but a dream to them.

The Dainik Jagran under its Arpan initiative started a drive to collect woollen clothes. Students of Jagran College of ASC donated old woollen clothes in college and afterward under the supervision of Miss Kanika Bajaj, these clothes were been handed over to the authorities of Sangini Club which distributed the possessions to the needful.

दैनिक जागरण

THE WORLD'S LARGEST READ DAILY

दिसम्बर 05, 2021

महोदय,

दैनिक जागरण पत्र ही नहीं मित्र भी है, से ओतप्रोत होकर समय-समय पर विभिन्न प्रकार के जागरण कार्यक्रमा का आयोजन करता रहता है। इसी में से एक है "अर्पण", यह एक ऐसा अभियान है जो किसी की छोटी सी सौगात किसी नन्हीं मुस्कान की वजह बन जाती है।

दिसम्बर और जनवरी माह की कड़कड़ाती सर्द रातों में जब कोई निरीह, असहाय सड़कों पर ठिठुर रहा होता है तो उस समय दैनिक जागरण अपने "अर्पण" अभियान के माध्यम से उन्हें गर्म कपड़े देकर उनके चेहरों पर मुस्कान लाने का हर संभव प्रयास करता है। हमारे इस अभियान की सफलता पर हमें नगरवासियों से ऐसे आयोजनों के लिए जहाँ एक ओर प्रोत्साहन मिला वहीं दूसरी ओर भरपूर सराहना भी।

जागरण कालेज ऑफ आर्ट्स, साइंस एण्ड कामर्स के सहयोगियों तथा विद्यालय में अध्ययनरत छात्र/छात्राओं का योगदान हमारे इस प्रयास में एक अहम भूमिका के रूप में सहभागी बना जिसके लिए जागरण परिवार को गर्व है और हृदय से आभार प्रकट करते हुए भविष्य में भी इसी प्रकार के सहयोग की अपेक्षाकृत रहेगा।

आपके कुशल दिशा-निर्देशन में विद्यालय नित नए कीर्तिमान स्थापित करेगा यह हम सभी की भगवान से प्रार्थना है।

सहयोग की अपेक्षा एवं मंगल कामनाओं के साथ।

भवदीय,

कृते जागरण प्रकाशन लि.

## Music Department spreads Harmony at Parishadiya School

On the 22nd of April 2022, the Music Department of Jagran College, in collaboration with dedicated volunteers, embarked on a mission to enrich the lives of young learners at Parishadiya School, located in the heart of Ramkrishna Nagar, Kanpur.

With a spirit of service and a melody in their hearts, the team engaged with students from classes 1 to 5, introducing them to the enchanting world of music. Under the guidance of passionate music educators, the children were introduced to a repertoire of prayer songs, bhajans, and patriotic melodies. Among the tunes that resonated through the corridors of the school, classics like "Saare Jahan se Achcha" and "Saraswati Vandana" left an indelible mark on the young minds, fostering a sense of cultural pride and reverence. Through this enriching initiative, the Music Department of Jagran College not only shared the gift of music but also cultivated a spirit of unity and joy within the hearts of the students. It is moments like these that illuminate the true essence of education – nurturing not only the intellect but also the soul.

Any project, (Government or Private) can not be completed perfectly until the Department of Education takes up the responsibility to promote it.

To create awareness regarding the Mission Shakti project, every year educational institutions are organising Mission Shakti week.

On the 7th of March 2021, the college organized a webinar and invited Miss Vandana Singh Solanki, the advocate as a chief speaker. Faculty members and Students attended the online awareness program along with their friends and family on Sunday.

Miss Solanki asked the attendees to accept and rear up the female child with the same enthusiasm and dedication as society does for male children. She forcibly said that a society can't be called developed till women are not honored and cared for there. Physically, mentally healthy and emotionally mature women only can deliver healthy children and can do perfect parenting to develop the children into eligible and strong citizens of the country.

## **Nurturing the Future of Nation @ Health and Hygiene Drive**

"How beautiful it is to be witness to a smile all genuine and the joy wriggling beneath it; .and to know that you're the reason behind it getting carved is simply beyond the ambit of expression."

Such heart stirring and vivid was the experience when Jagran students conducted interactive sessions at Jagriti, a teaching centre run by Bhavna Welfare Foundation for underprivileged and needy children at Juhi, Kanpur during a collaborative outreach program.

In the first outreach program held on 19th March,2021, final year students of M.Com Pratiksha, Ruchi Sanu conducted a health and hygiene sensitisation drive , keeping in mind the juncture of COVID pandemic. Importance of basic hygiene and hand sanitization and physical exercises was underlined by our students to keep those children who live in destitution, safe from bacterial and viral diseases rampant in present times.

## Joyful Learning through Art and Craft

Keeping the joyful learning in momentum, the third session held on 6th April, 2021 started with an intention to unleash their wings of imagination for a flight of creativity into the sky of opportunity and hope. A team of our final year students: Jyoti, Nandini, Swekcha, and Shaswat accompanied by two first year students Tanisha and Divya visited the school. They conducted a two-hour art and craft session for children to untap the artistic and crafty calibre of the tender hearts. The session was amplified by the activities such as lamp making, origami art with the recycled objects and colourful papers.

Session left an awe-inspiring effect on the tender hearts of children that was visible with a smile on their faces, that was saved in pictures clicked by students, for eternity. These teaching sessions left on them an imprint so profound and memorable that in the end, the kids parted on the note of securing a promise by the students to visit them again, very soon!
