Students' Feedback and Action Taken Report

The following gives a detailed report of the issues raised by the students and the subsequent action taken by the institution during **2022 – 2023**:

S. No	FEEDBACK	ACTION TAKEN
1.	Students suggested increase use of ICT Tools in Teaching for interactive and engaging learning experiences.	The College had directed the faculty members for the widespread use of projectors in college. All faculty members used projectors as part of their teaching toolkit whenever it is required. This initiative aimed to enhance the learning experience by integrating technology.
2.	Ensure classroom hygiene, and maintain cleanliness in common areas and washrooms	The college had directed the cleanliness committee to monitor and enforce regular maintenance, including classroom dusting, and hygiene upkeep in common areas and washrooms, with strict adherence to standards.
3.	Increasing extracurricular activities, and organizing field visits and internships are suggested for enhancing students' learning experiences and personal development..	The college successfully organized the 'Mann Mridang Dandiya' event and a 7-day 'Kalanjali Fest', in session 2023-24 which received overwhelming participation and appreciation. Additionally, students were facilitated to register on Internshala, resulting in a significant response and positive outcomes.
4.	Students had requested pre-placement training to excel at job fairs, along with the inclusion of more companies for enhanced job opportunities.	The committee instructed the placement cell to take necessary actions accordingly. As a result, the placement cell successfully conducted the training sessions and coordinated a job fair in collaboration with CSJMU.
5.	Skill development and job oriented courses were requested.	In response to the request for skill development and job-oriented courses, the college has taken action by signing a Memorandum of Understanding (MOU) with the Indian Institute of Technology (IIT) to offer a certification course. This collaboration aims to provide students with specialized training and certification in high-demand fields, enhancing their employability and career prospects.

Employers and Action Taken Report

The following gives a detailed report of the feedback received from parents and the subsequent action taken by the institution during 2022 – 2023:

S. No.	FEEDBACK	ACTION TAKEN
1.	Employers had stated that students from the college are very good and willing to learn. They highlighted the overall good environment and learning at the college. Students were described as hardworking and supportive to their peers, exhibiting excellent grooming. Employers also noted that the college produces good quality candidates with a strong base of knowledge who are ready to relocate.	In response to this positive feedback, the college maintained and enhanced the supportive and enriching learning environment. Efforts to improve the quality of education and grooming were reinforced, ensuring students were well-prepared for the workforce. The college expanded career services and counseling to better prepare students for relocation and integration into various job markets. Additionally, the institution strengthened partnerships with industry to provide more internships, workshops, and practical experiences, further enhancing students' readiness and adaptability for future employment opportunities.
2.	Employers suggested that it would be beneficial if the college introduced diversified subjects to help students acquire new skills and explore more opportunities in the job market.	In response to this feedback, the college introduced a range of diversified subjects aimed at equipping students with new skills and broadening their job market opportunities. New elective courses and interdisciplinary programs were added to the curriculum (as per NEP) focusing on emerging fields and industry-relevant skills. Additionally, workshops and seminars were organized to provide practical exposure and hands-on experience in these new areas. These steps were taken to ensure students were better prepared and more competitive in the evolving job market.
