The following gives a detailed report of the issues raised by the students and the subsequent action taken by the institution during 2020– 2021:

S. No	FEEDBACK	ACTION TAKEN
1.	Students expressed overall satisfaction with the academic environment, faculty, and teaching methods, noting that the college was excellent and provided a great experience. However, they suggested several improvements, including providing online notes for each chapter, especially during COVID-19 online classes.	In response to the feedback, the academic support committee of college instructed the coordinators to provide online notes for every chapter discussed in class, particularly during COVID-19 online classes
2.	Students recommended more interactive teaching methods using ppts, quizzes and multimedia, real-life examples, and explanations in Hindi for difficult topics. Students emphasized the need for more practical learning opportunities, such as projects, internships, and skill-based learning, including entrepreneurial skills.	Multimedia And PPTS were integrated into online classes to enhance understanding. Real-life examples and explanations in Hindi for difficult topics were encouraged. Practical learning opportunities were expanded through projects, internships, and skill-based workshops. The college organized more extracurricular activities, competitions, seminars, and lectures by industry experts.
3.	Students highlighted the importance of individual student-teacher interaction, and requested more counseling and career guidance sessions.	Efforts were made to increase individual student-teacher interactions, with more counseling and career guidance sessions, as well as motivational workshops.
5.	Skill development and job oriented courses were requested	In response to the request for skill development and job-oriented courses, the college had taken action by signing a Memorandum of Understanding (MOU) with reputed organization This collaboration aims to provide students with specialized training and certification in high-demand fields, enhancing their employability and career prospects.

Teachers' Feedback and Action Taken Report

The following gives a detailed report of the feedback received from teachers and the subsequent action taken by the institution during 2020 – 2021:

S. No.	FEEDBACK	ACTION TAKEN
1.	Faculty had suggested that the collection of books related to their subjects should be updated and improved.	The committee has instructed all coordinators to communicate with the academic faculty to gather requirements for additional books needed in the library. This will ensure the library collection aligns with the current syllabus.
2.	Faculty members suggested that the sanitation facilities in the college could be improved to ensure a cleaner and more hygienic environment for everyone.	In response to the feedback, the college enhanced the sanitation facilities by increasing the frequency of cleaning routines, upgrading restroom facilities, and ensuring that sufficient hand sanitizers and hygiene supplies were available throughout the campus. Regular inspections were implemented to maintain high cleanliness standards and address any issues promptly. These measures were taken to create a healthier and more comfortable environment for faculty, students, and staff.
