## SCHEDULE- 1 Scope of Work

Heartfulness Education Trust (HET) shall offer the following programs specifically developed for specific needs of the University:

- 1. Staff Training:** HET shall impart a training program on "Wellness at work" to all Principals, Teachers and Staff of the JC institutions at its campus. JC may at its sole discretion make it compulsory for their faculty/staff. Initially, this would be a three-day program to introduce the Heartfulness Meditation Practice and how it can be integrated into best education practices. This wellness program can also be offered at Kanha Shanti Vanam, the world headquarters of Heartfulness located near chegur village, Ranga Reddy district with a residential programme facility on mutually agreed basis.
- 2. In-depth Faculty Training on Heartfulness Curricula:** Following initial introduction, interested faculty would be provided a longer duration in-depth teacher training program to further enhance and develop the Heartfulness tools and Curricula. This program would be developed suitably by Heartfulness Education Trust and made available at Kanha Shanti Vanam / Heartfulness centers or on JC campus on an ongoing basis on agreed intervals during the term of this MOU.
- 3. HELM (Heartfulness Enabled Leadership Mastery) curriculum for students:** HET shall choose a college on JC campus to begin an in-depth training for students. This would cover a [3 day] induction program and a [16-week] life-skills course which will be followed by subsequent foundational leadership programs such as 'Discover', 'Develop', 'Deepen', 'Dedicate' etc which can be included as credit courses. These are core Heartfulness programs conducted by certified Heartfulness trainers which will be experiential sessions of 60-90 minutes for each student group.
- 4. Internships for students:** Faculty offering 'Heartful Electives' can design projects that aim to integrate ethical and contemplative aspects into particular student projects.

## ARTICLE 1: OBJECT

Both Institutes agree to develop the following collaborative activities in the academic areas of mutual interest, on a basis of equality and reciprocity.

The two institutions shall seek to promote:

### I. Faculty Exchange

- The exchange of faculty to the mutual benefit of both institutions,
- Collaboration in teaching, research and development, and consultancy studies in the field of mutual interest,
- Conducting lectures,
- Undertaking joint research,
- Participating in seminars, symposiums, and other types of academic discussions

### II. Student Exchange

PPN Kanpur and JC Kanpur agree that student exchange will be guided by principles listed below. A home institution refers to the institution where a student is a full-time student, and from where he/she is expected to graduate/ postgraduate. A host institution refers to an institution that receives a student for a brief period to undertake a pre-determined programme of study or research.

- Exchange students will be selected by mutual agreement between the home institution and the host institution.
- An exchange student will continue to be treated as full-time student at his/her home institution.
- An exchange student will be considered as full-time "exchange" student at the host institution.
- His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.
- The host institution will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.
- The home institution may award to the exchange student credits earned at a host institution, but only after the home institution has established correspondence

between courses taken at the host institution viz-a-viz those offered at the home institution.

- g) If an exchange student has undertaken research, then the host institution will evaluate the exchange student's performance in the research, and issue a letter to that effect, together with a technical "report" of the research carried out.
- h) If an exchange student has undertaken research, then the home institution will take note of the performance evaluation and the technical report, and take steps in accordance with its own procedures.
- i) PPN Kanpur and JC Kanpur agree to arrange for classes/lecture for student exchange.
- j) The exchange students will pay tuition and other fees at their home institution.

### III. Research:

- a) to exchange information on research and educational programs,
- b) to exchange information on teaching, learning material and other literature relevant to their educational and research programs,
- c) to jointly organize short-term continuing education programs on topics of mutual interest and to invite each other's faculty to participate therein,
- d) to organize jointly seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate therein,
- e) to propose and engage jointly in research or training programs sponsored by funding agencies, and to invite each other's faculty to participate therein,
- f) to exchange, on a reciprocal basis, students at Undergraduate, Graduate and Doctoral levels for limited periods of time for purpose of education and /or research,
- g) to encourage the provision of cultural and intellectual enrichment opportunities
- h) to use laboratory facilities in specific cases for a limited period,
- i) to permit students and faculty members to use library facility.
- j) PPN and JC agree that detailed terms and conditions that guide each activity identified above will be determined separately and agreed upon by the two institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation.

- The company may also offer jobs to the students who intern in the company based on their performance and availability of vacancies.
- The company may also invite some of its employees to take workshops on any relevant topics for the students of the college.

#### **Nyra's Exceptional Student Program:**

**About the program:** A program that nurtures exceptional talent in Digital Marketing and Direct-to-Consumer (D2C) strategies. Students will learn how to create and manage online campaigns, content, and e-commerce platforms, as well as how to analyze data, optimize supply chains, and understand consumer behavior. These skills will help them bridge the gap between theory and practice, and prepare them for the dynamic digital and D2C market.

**Eligibility and recognition:** Students must complete a short-term internship at Nyra, showing their passion and potential. Nyra will then send a letter of intent to the college, recommending the selected students. The college may allow these students to have flexible college hours.
