Go Green: Sapling Plantation (24th July 2018):-To make students aware about the role of tree plantation in preventing environmental pollution

Trees are the foremost source for producing the oxygen in environment, they help to reduce the level of carbon dioxide. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today. On 24th July 2018, Jagran College of Arts, Science and Commerce successfully completed the Tree Plantation Campaign under the National Service Scheme at college campus. During the event Dr. R N Singh Coordinator NSS, make students to pledge for protecting environment by planting trees. Dr. J. N. Gupta (C.E.O. Jagran Education Foundation), Dr. M.P. Gupta (Director Jagran College), Dr. Asmita Dubey (Asst. Director Jagran College), Mr. Pramod Srivastava, faculty and students of Jagran College were present on the occasion.

Eco Town Fete(30-10-2018):- To promote power of REUSE, RECYCLE and REDUCE.

ECO Town: REUSE and RECYCLE

On 30th Oct 2018 on the campus of Jagran College, A FETE Eco Town was held to promote power of REUSE, RECYCLE and REDUCE!! A small team of dedicated volunteers set up the various stalls the evening before and on the morning of the fete. It was a first-time experience for the students, but with their tireless energy, it was an impressive and indomitable team. There were around 30 stalls of decorative and recycled products, food and games. All the stalls were decorated colourfully. The fete was inaugurated at 12:00 noon with the Ganesh Vandana sung by Ayush followed by a beautiful garba dance by a group of 24 students. SP South Mr. S. Raveena Tyagi, chief guest added great positive energy to the students and appreciated their initiative. Mayor Kanpur Smt. Pramila Pandey graced the occasion as Guest of Honour. The fete Eco-Town achieved its very noble purpose of creating awareness by putting an exhibition and market of recycled products and raising a fund to brighten up the Diwali of those helping hands, the support staff of Jagran College. It proved to be a very effective learning tool in long term business planning through fun filled activity. Shri Y.M.Gupta, (Chairman, JEF) Mrs.Ritu Gupta(Vice Chairperson, JEF) Dr.J.N.Gupta (CEO, JEF) Dr.M.P. Gupta (Director, Jagran College) Dr.Asmita Dubey (Asst. Director, Jagran College) Dr. S.P. Tripathi (Director, JIMMC), Dr.Divya Chaudhary (Director,JIM), Mr.Ateeq Ahmad (Director, JIDA) faculty, staff and students were present on this occasion. The program ended around 5:00pm, with a good footfall at the fete.

Staging an Era-Philosopher's style(29th Jan, 2021):-To reckon the relevance of thoughts of different philosopher's regarding mother nature

The activity staging an era- Philosopher's Style was conducted in the college to reckon the contemporary relevance of the thoughts of Rabindranath Tagore and Mahatma Gandhi. Various issues related to insensitivity towards the mother-nature, gender discrimination, materialism, lack of compassion, menace of patriarchy, gluttony etc. were addressed through small skits presented by young minds of BA Students. The audience was captivated with the ingenuity of the characters and the conviction they could transmit in the auditorium. The activity was conceived by Mr. Vaibhav Dwivedi and Mr. Virendra Kumar Sahu.

Guest Lecture on Introduction to Plant Pathology(20th April, 2022):- To create awareness about how the diseases, pathogens and casual organism affect the plant growth and ultimately the crop yield.

The diseases, pathogens and causal organism affect the plant growth and ultimately the crop yield. To understand and address issues, a guest lecture on the topic ‘**Introduction to Plant Pathology**’ was organized on 20th April 2022. Dr. Piyush Mishra, Assistant Professor, Botany Department, D.A.V. College Kanpur was invited as a key resource person. Varsha Srivastava, Assistant Professor, Botany department delivered welcome address and Mr. Prashant Khare, Asst. Prof., Physics Department presented a sapling as a token of gratitude. Overall, 94 students were present from first, second and third year of Bachelor of Science (B.Sc.). The spokesperson provided great benefits to students; his perspectives and opinions about the topic were excellent. He highlighted the importance of plant pathology and the vast hidden potential of this field in India. It was a very interactive session, where students gained technical knowledge about the plant pathology. Dr. Manisha Verma, Asst. Prof., Botany Department proposed of ‘Vote of Thanks’ and Dr. Shashank Shekhar Mishra, Asst. Prof., Physics Department presented a memento to the speaker.

SNIPPET:Prioritizing Reuse Over Recycling(8th May 2022):-Prioritizing reuse over recycling of waste material and implementing innovative solutions in making of creativities.

“We’ve been given a warning by science and a wake-up call by nature; it is up to us now to heed them.”

Acknowledging areas for improvement in global environmental care, Jagran College of Arts, Science, and Commerce formed the Snippet committee, prioritizing reuse over recycling. The team of 10 students under the mentorship of Dr. Swati Dwivedi made recycling enjoyable, transforming waste into reusable items over a 25-day period. This initiative repurposed scrap materials from various sources, including deformed fan blades, used plastic bottles, cooler components, tube lights, rusted boxes, old tables, geysers, and iron rods, contributing to a more sustainable approach. Students learnt that implementing innovative solutions doesn’t demand complex or burdensome efforts; rather, it involves a shift in how we view ‘trash’. At the end of the activity, students were in high spirits looking into their own creativities they realized, we can do it!

Plantation Drive in Campus(1-7- 2022):-To elevate the awareness about the environmental responsibilities among faculties, staff and students.

On 1 July 2022, College hosted a significant event of plantation drive in campus; in collaboration with its NSS unit. The objective was to elevate the awareness about the environmental responsibilities among faculties, staff and students. Our principal Ma'am, Dr Asmita Dubey provided a futuristic vision towards sustainable development and re-energized each of her pupils' minds with a profound sense of environmental concerns. This was marked as one of the pivotal highlights in advocating and uprising a sustainable future. As one of the renowned environmentalists Sunder Lal Bahuguna said- "Embrace the trees and Save them from being felled; the property of our hills, save them from being looted."

Upcycling Odds and Sods: Reimagine, Recreate and Restore(29-10-2022):- An innovative weekly activity conducted by students to sensitize about environment conservation and sustainability following the tagline-

"Re-imagine, Recreate and Restore"

In succession of weekly activities, another innovative activity named Odds and Sods was conducted for BBA Students on 29 October, 2022 as to sensitize them about environment conservation and sustainability

With Recycling as the primary theme, the activity 'Upcycling Odds and Sods' took place under the supervision of event coordinators Mrs Isha Gupta, Mrs Himani Kumar Maggo and Dr Vidushi Sharma. Total 8 teams participated consisting of 4 members in each team. Students assembled scrap material in the college campus only and made full-fledged marketable products. Students following the tagline of the event – 'Reimagine, Recreate and Restore', showcased their artistic creativity in making innovative products. Students made many different articles from wall hangings, LED neon signs, Night lamps, Flower pots etc.

Their creativities were pitched to the judges of the event, Dr Shalini Agarwal and Mr. Anshul Saxena. The judges evaluated the presentation done by each team on the basis of their creativity, usefulness of the product, demonstration and sustainability. The excellent presentation of 'Ram Mandir' made by Team 8, using old cardboard grabbed the first position while Team 6 used old plastic bottles and containers to make a series of decorative products under the brand 'Craftsy Corner', secured the runner-up position. The second runner-up being

Team 4 made 'Lamofy Night Lamp' using scrap paper from magazines and newspapers. After the announcement of results, the participants marketed their products in the campus. Many students were able to sell their exhibits with decent profit margins. The event was a good conjunction between lessons on environmental protection and marketing.
